*This research was conducted by Calor Gas Limited ("Calor") to indicate the average cost of LPG boilers and their oil equivalent. A selection of LPG boilers and oil boiler prices have been used from the following independent sources: [www.plumbnation.co.uk](http://www.plumbnation.co.uk) [www.plumbnation.co.uk](http://www.plumbnation.co.uk), [www.cityplumbing.co.uk](http://www.cityplumbing.co.uk) [www.cityplumbing.co.uk](http://www.cityplumbing.co.uk) and [www.directheatingsupplies.co.uk](http://www.directheatingsupplies.co.uk) [www.directheatingsupplies.co.uk](http://www.directheatingsupplies.co.uk). This is not a full list of all LPG and oil boilers available and prices and therefore cost savings may vary. Prices shown are correct as at the week commencing 21/10/2019. Calor supply LPG but do not sell or install LPG boilers. You can find a list of Gas Safe installers here: [www.calor.co.uk/lpg-gas-engineer/lpg-boiler-installation](http://www.calor.co.uk/lpg-gas-engineer/lpg-boiler-installation) [www.calor.co.uk/lpg-gas-engineer/lpg-boiler-installation](http://www.calor.co.uk/lpg-gas-engineer/lpg-boiler-installation). The Terms & Conditions of Calor's LPG Installer Finder apply.*
